

MIXED BEVERAGE PROGRAM

At Mi Dia From Scratch, our commitment is to use the freshest and finest ingredients available, featuring margaritas using only 100% Blue Agave Tequilas.

In our Margaritas, we have chosen to use lemons over limes, which delivers a bright and consistent flavor profile year round. One sip of a Mi Dia Margarita will prove the consistent freshness and flavor of lemons truly makes a difference.

Finally, the addition of organic light agave nectar provides the perfect balance to all of our freshly prepared cocktails, and results in making all of our handcrafted drinks “skinny”.

REPOSADO meaning "Rested"

The tequila is aged in wood barrels between 2 months and 11 months. The spirit takes on a golden hue and the taste becomes a good balance between the agave and wood flavors.

AÑEJO meaning "Aged"

After aging for at least one year, tequila can then be classified as an "añejo". The distillers are required to age añejo tequila in barrels that do not exceed 600 liters. This aging process darkens the tequila to an amber color, and the flavor can become smoother, richer and more complex.

Mezcal

Unlike tequila, mezcal can be made from more than 30 types of agave and can be produced anywhere in Mexico, typically in the Oaxaca region. Its signature smoky flavor comes from cooking the agave in underground pits, which are lined with hot rocks that burn for about 24 hours before the cooking process begins.
